

Welcome To Third Grade!

Greetings from your teachers! We are looking forward to many special and exciting experiences with your child.

In Math, the expectation for your child is that they come to third grade with their basic addition **and** subtraction facts memorized. We will be starting the year with timed tests for those facts and move quickly into multiplication and division. Please review this summer, so that your child is fluent with his or her addition and subtraction facts.

Supplies requested for this school year:

- A box of 12 #2 pencils (no mechanical pencils)
- Box of crayons (no larger than 24)
- 2 glue sticks
- 2 dry erase markers and eraser
- 1 highlighter
- A pair of scissors
- 3 – 4 eraser caps for pencil tops
- pencil case/pouch
- 2 composition notebooks (black and white marbled cover)
- 4 solid colored pocket folders in the following colors: (1) green, (1) blue, (1) yellow and (1) red, and 2 additional folders of your choice
- A 1 inch hard-cover binder
- 6-10 clear plastic sheet protectors to go in the binder
- Erasable pen will be needed for Young Authors. NO erasable gel pens.
- 1 pair of headphones/earbuds to be used on either a computer and/or iPad

Please send in only what your child needs. All extra supplies can be kept at home and sent in on an “as needed” basis. We also ask that students avoid bringing pencils, erasers and school supplies that resemble toys. These things create a distraction for students and interrupt the learning environment.

Best wishes for a fun and safe summer!

Let's work together to make 2016-2017 a great year!!
