

# Welcome To 3<sup>rd</sup> Grade!

Greetings from your teachers! We are looking forward to many special and exciting experiences with your child. They will be challenged in many ways.

In Math, the expectation for your child is that they come to third grade with their basic addition and subtraction facts memorized. We will be starting the year with time tests for those facts and move quickly into multiplication and division. Please review this summer so that your child is fluent with facts.

## Supplies requested for this school year:

- A box of 12 #2 pencils (no mechanical pencils)
- Box of crayons (no larger than 24)
- 2 glue sticks
- 2 dry erase markers and eraser
- 1 highlighter
- A pair of scissors
- 3 – 4 eraser caps for pencil tops
- pencil case/pouch
- 2 composition notebooks (black and white marbled cover)
- 4 solid colored pocket folders in the following colors: (1) green, (1) blue, (1) yellow and (1) red, and 2 additional folders of your choice
- A 1.5 inch hard-cover binder
- 6 clear plastic sheet protectors to go in the binder
- Erasable pen will be needed for Young Authors. NO erasable gel pens.
- 1 pair of headphones/earbuds to be used on either a computer and/or iPad

Please send in only what your child needs. All extra supplies can be kept at home and sent in on an “as needed” basis. We also ask that students avoid bringing pencils, erasers and school supplies that resemble toys. These things create a distraction for students and interrupt the learning environment.

A meeting with all Third Grade parents will be held during the first few weeks of school in September to answer any additional questions about the Third Grade program.

Let's work together to make 2015-2016 a great year!!
