

Welcome To Fourth Grade!

Greetings from your teachers! We are looking forward to many special and exciting experiences with your child.

In Math, the expectation for your child is that they come to fourth grade with their basic multiplication **and** division facts memorized. We will be starting the year with time tests for those facts and move quickly into mixed multiplication and division. Please review this summer so that your child is fluent with facts.

Supplies requested for this year:

- 1.5 inch ring **hard** binder for your HAB
- 2 single subject **spiral** notebooks-Writing (black) and Math (Blue)
- 4 **plastic** folders-Social Studies (Red), Math (Blue), Science (Green), and Reading (Yellow)
- Pencils (to be replenished throughout the year)
- Crayons (No more than 24)
- Pens (any color)
- 1 pack of dry-erase markers with student's initials
- 3 glue sticks
- eraser tips
- scissors
- highlighters
- post-it notes
- Pack of colored pencils (at least 12)
- Clear, page protectors
- Pencil box (large enough to fit all materials within the desk-preferably soft case)

4th Grade Optional Supplies:

- disinfectant wipes
- dry-erase markers
- Elmer's glue or glue sticks for the class

***Note:** Please do not buy sticky book covers, as they are difficult to remove from the books in June. Please do not buy book socks before you see the books, as some socks break the bindings of the bigger books. Please do not buy Trapper Keeper or large 3-ring binder for your child since they do not fit into the desks. **ALL** items may need to be replaced throughout the year!
