Dear East Greenwich Families,

'Tis the season for giving back and promoting kindness through helping others. Many of you may remember Mrs. More, she was an instructional aide in our district for many years. This summer, Mrs. More moved to the Poconos, and the school where she currently works, *Rush Academy*, does not have a library. We are very fortunate here in East Greenwich to have two beautiful libraries with a variety of books and other resources that are available to our students and teachers. To start the new year, we have the opportunity to help students in grades K-5 at *Rush Academy* in Tamaqua, Pennsylvania, build a school library through collecting used books in good condition.

During winter break, please search through your home library to see if you have any books that you would like to donate to the students of *Rush Academy*. In addition to books, we will also be collecting puzzles and board games so the children have a few activities for indoor recess. Beginning January 3rd, there will be donation boxes in the front atrium of both Jeffrey Clark & Samuel Mickle Schools. Please place any books, puzzles, and board games that you would like to donate in the boxes. We will be collecting through January 31st. Thank you so much for your generosity in helping us create a better reading program and library for the students at *Rush Academy*. We appreciate your efforts to assist us in making a difference!

With gratitude,

The Lunch Bunch
