

East Greenwich Township Schools

Code of Conduct

The East Greenwich Township School District's code of conduct is aligned with our mission statement. This mission statement exemplifies our goal to provide a safe and secure learning environment. Our district uses a multi-tiered system of supports as a framework to promote a school climate that supports the instruction of students in the academic, social and behavioral skills needed for students to be successful in school and as citizens of the community. Multi-tiered systems of support create school environments where standards for behavior are taught, problem behaviors are prevented, students and adults have positive relationships, and students understand what is expected of them as learners at school. All students are supported through a tiered model of increasingly intense interventions or enhancements that are available based upon a student's individual academic and behavioral needs. With the use of prevention and intervention strategies that support students' behavior and social-emotional needs, school staff facilitate both academic and social development of all students. EGSD promotes the following universal expectations for all students and staff based on the following traits: kindness, respect, responsibility, acceptance, integrity, and perseverance.

In order to accomplish these goals, *all* stakeholders must work in collaboration to foster mutual respect within the school community.

- Students will grow to conduct themselves in a manner that reflects our character traits with the support of parents/guardians, administrators, teachers, and staff.
- Staff members are expected to engage students in prevention and intervention strategies that promote positive behavior and address problem behavior. Student behavioral concerns will be addressed with corrective and restorative responses, as well as logical consequences.
- Administrators will intervene when the discipline offenses are repeated, are severe in nature, and/or when interventions are not successful.
- Parents and guardians of students are responsible for understanding the district's behavior expectations and supporting the child's adherence to the code of conduct.

Where and When the Student Code of Conduct Applies

The code of conduct applies to students at all times during the school day, while on school property (including during before and after school programs), while traveling to and from school, at any school-related event, at bus stops, on any vehicle funded by the East Greenwich Township Public Schools, or at any time or place which may affect an educational function, including when accessing the district's electronic network services or on remote instruction.

Progressive Levels of Corrective Response

Corrective responses provide a profound emphasis on what we want students to do and learn. Corrective responses include a focus on instruction in appropriate behavior, culturally responsive support strategies and social emotional learning opportunities through our character education curriculum and positive behavior supports. The goals of assigning corrective responses and consequences are to maintain a safe environment, maximize all students' learning, and improve students' behavior and problem solving skills. Appropriate interventions and consequences for students place an emphasis on correcting student behavior through classroom and school-based resources at the lowest possible level of intrusion and exclusion. All interventions should balance needs of the student, needs of those affected by the behavior and the needs of the overall school community. When teachers and/or administrators consider corrective responses, restorative practices, or instructive consequences, the following factors should be considered:

- Student's age, developmental level, and grade,
- Student's prior behavior patterns and responses to interventions
- Student's intent and the severity of harm caused

Failure to Follow Health Protocols (With Intent to Harm or Create a Disruption)

The key goals of the East Greenwich Township Schools' student code of conduct are to ultimately foster the health, safety, and emotional well-being of our students. Students, parents/guardians, and staff are expected to adhere to the requirements put forth by the CDC and the New Jersey Department of Health. Such policies include, but are not limited to wearing face coverings that covers nose and mouth at all times (excluding scheduled times to eat and during mask breaks), social distancing at a minimum of 6 feet, frequent handwashing, and covering your mouth when sneezing or coughing. Students who refuse to follow safety procedures, or interfere with another student's ability to be safe, will be addressed in accordance with the district code of conduct. Refusal to wear a mask, in an insubordinate manner, may result in grounds to be sent home by administration.

Academic Integrity

The East Greenwich Township School District students are expected to observe the highest standards of integrity when meeting the requirements of his or her academic curriculum. Pupils are expected to be honest in all of their academic work. This means they will not engage in the following acts:

- cheating on examinations and assignments.
- plagiarism on any academic work
- Falsifying, altering or tampering with official passes, notes, grades, or signatures.

Violation of BOE policy 5701 will result in a parent phone call and a student conference. In the event of plagiarism or cheating, the student will receive a zero on that assignment. **If warranted, the teacher shall file a written complaint against the pupil with the Principal, requesting a more stringent form of discipline. The complaint must describe in detail the academic dishonesty that is alleged to have taken place, and must request that the matter be reviewed by the Principal.**
