Positive Bus Behavior System

We are excited to be implementing the SAFE RIDER BUS PROGRAM this 2016-2017 school year! The purpose of the *Positive Bus Behavior System* is to **recognize, promote** and **encourage** positive student behavior on the bus. The system will be based on identifying students who are adhering to and or exceeding the transportation expectations outlined by the school district. Each month, each bus driver will select one Clark student and one Mickle student who are demonstrating excellent bus behavior. The children will receive a bus certificate, have their name announced on the loud speaker and be in the running for a prize!
