# Realtime Link for Parents™

Parent

With Realtime Link for ParentsTM, parents are now seamlessly connected to the information they want and need with the convenience of a Mobile App
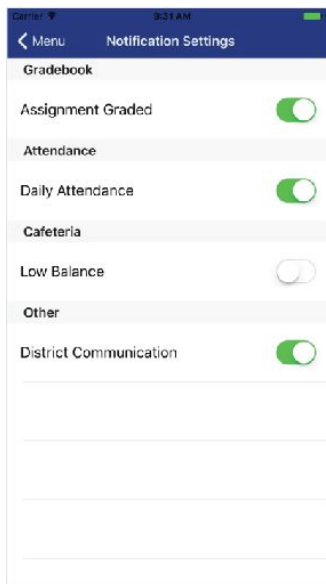

Student Information

Information from the Realtime Portal may be viewed using the convenience of Realtime Parent LinkTM: student attendance, gradebook information, schedule, report card, are some examples of the information available.
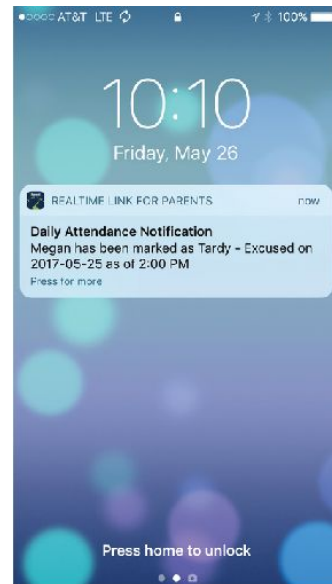

Notifications

Parents can select which information based notifications to receive and when to receive them - time of day and frequency. Notifications can be set to be received at a certain time of day. Push notifications include: Daily Attendance Gradebook | Assignment Posted | Assignment Graded Overall Grade Changes | District Communication

How to Access the App?

Parents sign-up for access on the Realtime Parent Portal and then download the free App from the Apple App Store or Android Google Play and customize it for their use. The App provides parents with district notifications and student information that are available to them on the Realtime Portal.
