Week of November 5th - November 7th

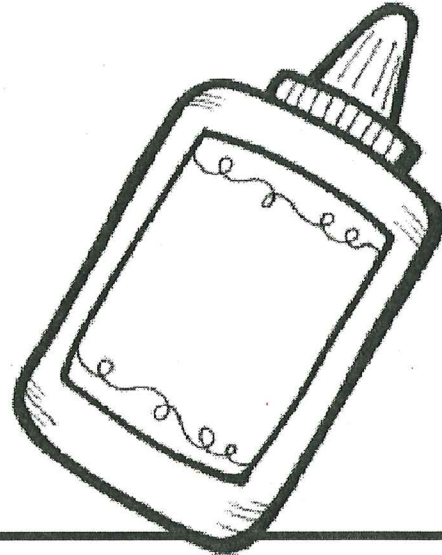

Reading & Language Arts

-We are continuing with Lesson 6 of Journeys. The story associated with this Lesson is The Invasion from Mars. The comprehension quiz for this story will be **Wednesday, November 7th**. The skills for this story are story structure and inferring/predicting, The test for this lesson will be **Wednesday, November 14th**.

-Spelling/Grammar - We will be focusing on verbs in grammar. In spelling, we will be focusing on words with the different vowel sounds for U. The quizzes for these skills will be **Tuesday, November 13th**.

-In writing, we will start working on informative writing.

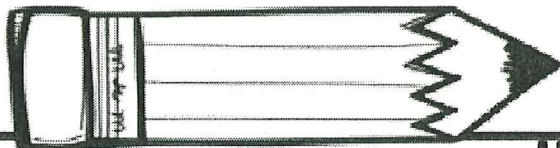

Reminders

- We have off Thursday and Friday,
- Parent visitation day is Thursday, November 15th.
- Conferences will be held Friday, November 16th-Tuesday, November 20th.

Math

-We are starting Chapter 4. Chapter 4 focuses on dividing by 1-digit numbers.

-We will not do math facts practice this week.

Science/Social Studies

We are continuing Unit 2 of science this week. This unit focuses on Natural disasters and how we can prepare for them.

-We will complete a lab which will serve as the primary assessment for this unit.

More information will be coming home tomorrow about this.
