Dear East Greenwich Township School Community,

As we move towards the end of the school year, our outdoor spaces are being utilized for learning and playing. When outdoors, staff and students may remove masks when socially distanced or the temperature is 75 degrees or higher. Masks may continue to be worn voluntarily in these situations.

At this time, masks continue to be required in the buildings and on busses.

Should we receive any new guidance regarding masks, we will update our guidance and share it with you. Thank you for your continued support throughout this school year.

Sincerely,

Andrea
