

CURRICULUM DEPARTMENT

EAST GREENWICH

TOWNSHIP SCHOOL DISTRICT

Mrs. Lisa Giorgianni, Director of Curriculum and Instruction

June 3, 2025

Dear Parent/Guardian,

As part of our goal to ensure that our students' academic needs are being met, your child completed the *Linkit NJSL Form C Benchmark*, the *i-Ready Math Diagnostic*, and the *Fountas and Pinnell Benchmark Assessments System* in May. Your child's results will be sent home today in their book bag. **These benchmarks will not be graded or reflected in grades.**

The *Linkit! NJSL Form C Benchmark* for Literacy monitors students' progress on the current year's literacy standards. Your child's performance on this benchmark will be published on the Linkit parent portal (<https://eastgreenwich.linkit.com/Parent>) by his or her teacher.

The *i-Ready Math Diagnostic* tool provides valuable insights into your child's strengths and areas for growth in mathematics. This adaptive assessment adjusts the difficulty of the questions based on your child's responses, allowing us to tailor instruction to meet their individual needs.

Fountas and Pinnell is a comprehensive one-on-one assessment that reliably and systematically matches students' instructional reading abilities to a text-level gradient developed by Irene Fountas & Gay Su Pinnell. This text-level gradient represents a continuum of progress for readers, who advance through levels A through Z as they learn and master the strategic actions necessary to read increasingly complex texts.

If you have any questions, please contact your child's teacher or the Office of Curriculum and Instruction. You are also welcome to visit the [curriculum department's website](#) for more information regarding district assessments.
