

CURRICULUM DEPARTMENT

EAST GREENWICH

TOWNSHIP SCHOOL DISTRICT

Mrs. Lisa Giorgianni, Director of Curriculum and Instruction

October 8, 2025

Dear Parent/Guardian,

As a part of our goal to ensure that our students' academic needs are met, your child completed the *Aimsweb* Fall benchmark for Early Literacy and the *iReady Reading and Math Diagnostic* in September. Your child's results will be sent home today in their book bag, along with parent resources to assist with interpreting the information. This district is sending home the reports for students in grades 1 through 6. Our Beginner students have a later administration window. Therefore, their reports will be provided later this month. **These benchmarks will not be graded or reflected in grades.**

Aimsweb is a nationally normed screener administered each fall, winter, and spring for beginners through third-grade students. This universal screener aims to monitor the acquisition of foundational literacy skills and identify students likely to need additional assistance to increase academic success.

The *i-Ready Reading and Math Diagnostic* tool provides valuable insights into your child's strengths and areas for growth in reading and mathematics. This adaptive assessment adjusts the difficulty of the questions based on your child's responses, allowing us to tailor instruction to meet their individual needs.

If you have any questions, please contact your child's teacher or the Office of Curriculum and Instruction. You are also welcome to visit the [curriculum department's website](http://www.eastgreenwich.k12.nj.us/curriculum) for more information regarding district assessments.

Sincerely,

CURRICULUM DEPARTMENT
