Winter Weather Reminder

Outdoor recess is an important and valuable part of our students' day. Fresh air, exercise and time spent outside afford students a break from the structure of the classroom. Most importantly, teachers agree students perform best at school when they have an opportunity for vigorous outdoor play, so we try to get them out whenever possible.

As we enter the winter months, it is imperative your child is dressed appropriately for the weather and is prepared to play outside. During the winter season, at a minimum, every child should have a jacket, gloves or mittens, and a hat.

Please remember to LABEL your child's clothes! We get quite a large collection in our lost and found over the winter months.
