Week of Respect October 2nd-6th

In association with the New Jersey Anti-Bullying Bill of Rights Act, the East Greenwich Township School District will be participating in our annual Week of Respect from October 2nd-6th. During the Week of Respect, our students and staff will participate in a variety of activities that highlight the importance of having respect for themselves, each other, our school and surrounding communities. One of our activities will consist of our students writing a gratitude postcard to a person that they respect and appreciate. We may need your assistance in mailing or delivering your child's postcard to the person they have written to. Thank you in advance for your support. In addition, the week will contain age appropriate instruction that focuses on preventing harassment, intimidation, and bullying. We are unified in our efforts to educate our students about acceptance, tolerance, and creating a caring community. The week will also consist of spirit days to celebrate our unity and dedication to being safe, responsible, and respectful.

RED RIBBON WEEK OCTOBER 23-27TH

National Family Partnership, formerly the National Federation of Parents for Drug Free Youth, was established as a grassroots, nonprofit organization in 1980 by a handful of concerned and determined parents who were convinced they should begin to play a leadership role in drug prevention. Since its founding thirty years ago, NFP has devoted its efforts to the well-being of youth. Today, NFP is a national leader in drug prevention education & advocacy. Their mission is to lead and support our nation's families and communities in nurturing the full potential of healthy, drug free youth. Red Ribbon Week highlights and teaches our students to be drug-free. Anticipate information on our poster contest to be held at the end of the month!
