

Welcome To Third Grade!

Greetings from your teachers! We are looking forward to many special and exciting experiences with your child.

In Math, we expect students to enter third grade with their addition **and** subtraction facts memorized. We will be starting the year with timed tests for those facts and move quickly into multiplication and division. Please review the facts this summer, so that your child is fluent with his or her addition and subtraction facts.

Please also label all of your child's notebooks and folders with their **name** and **homerom**.

Supplies requested for this school year:

- A box of 12 #2 pencils (no mechanical pencils)
- Box of crayons (no larger than 24)
- 4 glue sticks
- 2 dry erase markers and eraser
- 1 highlighter
- A pair of scissors
- 3 – 4 eraser caps for pencil tops
- pencil case/pouch
- 2 composition notebooks (black and white marbled cover)
- Solid colored pocket folders in the following colors:
 - (1) green, (1) blue, (1) yellow, (1) orange, (1) purple, and (1) red
- A 1.5 inch **hard-cover** binder
- 12 clear plastic sheet protectors to go in the binder
- 1 pair of headphones/earbuds to be used with Chromebook

Special Area Classes

- Library: 1 folder any color/design
- Music: 1 folder any color/design
- Health: 1 orange paper folder (not laminated)

*Please send in only what your child needs. All extra supplies can be kept at home and sent in on an "as needed" basis. We also ask that students avoid bringing pencils, erasers and school supplies that resemble toys. These things create a distraction for students and interrupt the learning environment. **Many** items may need to be replaced throughout the year.

Best wishes for a fun and safe summer!

We look forward to working together to make 2019-2020 a great year!
