

Welcome To Fourth Grade 2018-2019

Greetings from your teachers! We look forward to a wonderful school year!

Students are expected to enter fourth grade with their basic multiplication and division facts memorized. We will be starting the year with timed tests for those facts and move quickly into mixed multiplication and division. Please label all of your child's notebooks and folders with their **name** and **homeroom**.

4th Grade Wish List:

Special Areas Classes:

Notes: Please send in only what your child needs. All extra supplies can be kept at home and sent in on an "as needed" basis. Please do not buy sticky book covers as they may damage the books. **ALL** items may need to be replaced throughout the year. We also ask that students avoid bringing pencils, erasers, and school supplies that resemble toys. These things create a distraction for students and interrupt the learning environment. Thank you!
