

Samuel Mickle School
Back to School Night
 Thursday, September 15, 2016

On Thursday, September 15th, Samuel Mickle will host our “Back to School Night”. Presentations will begin at **6:00pm** depending on your child’s grade level. There will be 2 different rotations. Each rotation includes (see schedule below): Principal’s Welcome in the Gym, Homeroom Teacher presentations in classrooms, and Special Subject Presentations. Please adhere to the schedule for your student’s grade level to ensure staff is available. During the Special Subject presentations, please utilize the school map to visit your child’s Art, Music, Library, Spanish, Physical education, Basic Skills and speech teachers as well as other staff such as the nurse and guidance counselor. These staff members will be available in their classrooms. During the Teacher Presentations, 5th and 6th grade homeroom teachers will provide parents with a BTS rotation schedule, so you are able to meet each of your child’s teachers.

Due to limited spacing, this will be a parent only event, and we ask that children not attend. When the main lot is full, please utilize the overflow parking lot. It is located to the left of the bus lanes.

Please follow the schedule based on your child’s grade level. It is important that you remain in your assigned areas for each session.

	6:00-6:25	6:30-7:00	7:05-7:35	
Grades 3 & 4	Welcome Presentation	Grade 3 & 4 Teacher Presentations	Special Subject Teachers and School Tour

Teacher Presentations

Location: Your child’s homeroom classroom (See map on reverse side)
 Meet your child’s teacher and learn pertinent information during this general information session. Individual student concerns should be shared through e-mail, phone calls, or individual conferences.

Special Area Teachers/Related Service Professionals

Location: Classrooms (See map on reverse side)
 Please take advantage of this opportunity to meet your child’s special area and/or related service professionals. These sessions will be an “open house” format.
