

# EAST GREENWICH TOWNSHIP SCHOOL DISTRICT

Andrea Evans, Superintendent

Gregory Wilson, Business Administrator

June 11, 2021

Dear Parents/Guardians,

While summer offers a much-needed opportunity to relax, we want to ensure our students also maintain their reading and math skills. Together with our teachers, we have developed assignments to assist students in reviewing and maintaining essential skills over the next few months. While the summer assignments are voluntary, we strongly encourage your student's participation. They are to be completed by the start of the school year.

The summer assignments are posted on our district website, under the "Parents & Students" tab. Please access the linked assignments for your child's 2021-22 grade level. If you need assistance accessing the assignments, please contact your child's school's main office:
