Inspirational Messages from Lunch Bunch & Student Council of Character

Our Lunch Bunch and Student Council students are honored to share inspirational messages with our amazing EG Family. Our theme this week is **Flag Day, Freedom, and Unity**. We are grateful for the opportunity to share our thoughts and hope you enjoy reading through our final edition of the year.

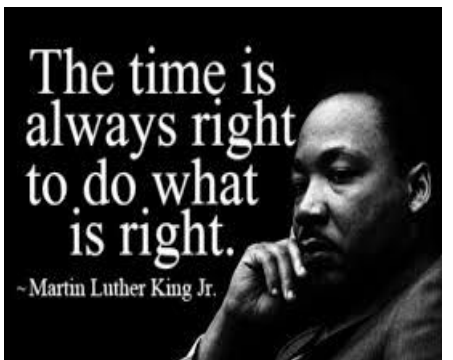

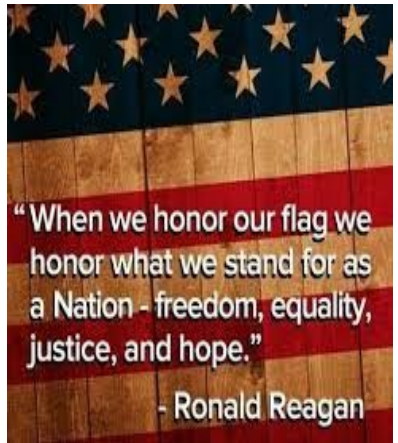

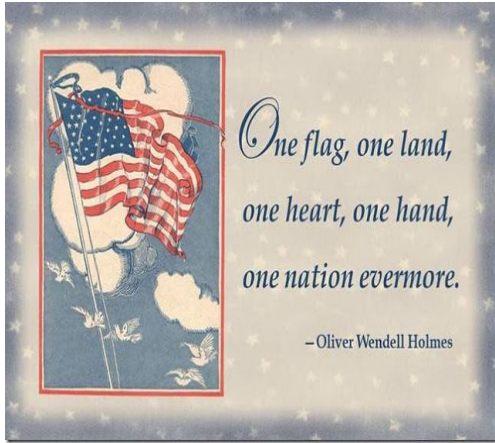

We would like to thank our Lunch Bunch and Student Council of Character students for all that they have contributed to both organizations this year. We hope to see our 5th graders in the fall and wish our 6th graders all the best at Kingsway and know they will continue to make us proud.
