

# Samuel Mickle School & Leukemia/Lymphoma Society's Pennies for Patients Fundraiser February 13th-28th

\*Your SPARE CHANGE CAN HELP SAVE A LIFE! The money collected will support the Leukemia and Lymphoma Society's effort to fund cancer research. Students will be participating in the fundraiser from February 13th-28th. Our **school goal of raising \$6,500** will put us over the **\$80,000 threshold** for money raised by East Greenwich Township Schools since 2012!

Each student has received an individual collection box. Please do your best to fill this box by collecting spare change that you find in your house. You may also ask family members if they would like to donate, but please do not go door-to-door collecting. If you would like to make a donation online, you may visit the following link that has been set up for our school <https://events.ils.org/pages/nj/SamuelMickleElementarySchool-2020>. Please click on the "donate today" tab to make a donation in support of our school team. We do not have individual classroom pages set up.

**Check donations** can also be written out to the ***Leukemia & Lymphoma Society***. **All check donations must be submitted in a sealed envelope and include your name and homeroom.**

Once you fill up your collection box, please count up the money with your parents and list the amount collected next to the date on the chart below. **Parents must sign that they have counted the amount with their child.** This will make it easy for us to keep track of how much money each student has collected. Your money will be deposited in the homeroom collection box and your box will be given back to you to continue to collect. **The grade level that collects the most will receive a reward activity.** The final day to hand in your individual collection box is **Friday, February 28th.**

**\*\*This form will be collected on February 28th.
