Dear East Greenwich Township School Community,

Happy last day of the 2021-2022 school year! Our students have grown as learners and citizens through the past 10 months, and today marks this tremendous accomplishment! Thank you to our staff and families for your continuous support of our educational program and our students. To our 6th graders, we wish you much success as you move onto middle school. You will be missed.

Best wishes for a safe and fun-filled summer! We will keep in touch throughout the summer months via email messages. You can also find 2022-2023 school year information on our website under the "For Parents" tab. Additional information can also be found in the June 9th Community update found [here](#).

Enjoy your summer!

Sincerely,

Andrea Evans
