Dear Parents and Guardians:

Pursuant to *N.J.S.A. 18A:7C-6.6*, school districts and charter schools must provide parents or guardians certain information on any “state assessment” or “commercially-developed standardized assessment” that will be administered in a given school year.

In accordance with this, and as part of our continued effort to provide our parents and guardians with the most up-to-date information, we would like to take this opportunity to give you an overview of our main district assessments.

Please see the [District Assessment Overview](#) for the list of and information on our main assessments.

Please also see the [District Assessments Section](#) on our district curriculum website.

Please do not hesitate to reach out if you have any questions, comments, or concerns!

Sincerely,

Mrs. Lisa Giorgianni
