

EAST GREENWICH TOWNSHIP SCHOOL DISTRICT

Andrea Evans, Superintendent

Gregory Wilson, Business Administrator

January 24, 2025

Dear East Greenwich Township School Community,

Below please find an important update regarding progress reports.

Progress Reports in Grades 1-6

Effective mid-trimester 2, we are going to discontinue traditional progress reports for students in grades 1 through 6. Beginner grades are not posted in the Parent Portal due to our standards-based grading system, so we will continue to provide progress reports mid-trimester.

In the past, progress reports were helpful tools for parents to monitor their children's progress because they didn't have access to students' grades throughout the trimester. However, our Parent Portal provides parents with accurate, real time information about student progress, so there is no longer a need for a progress report. **Parents have access to this information on an ongoing basis.**

On Monday, February 3rd, mid-trimester, administration will send an email to parents reminding them to log in and view students' grades. If you would like to view your child's grades now, please follow the steps below.

Accessing Student Grades in the Parent Portal:

- Log in to the Parent Portal.
- From the Menu, select "Gradebook".
- You will see the Course Title for each subject area, as well as the student's current average in each subject area. (Special Area courses are graded with a rubric and the course grade is entered at the end of the trimester.)
- If you would like to see grades for individual assignments within a course, click on the "Course Title" for English Language Arts, Math, Social Studies or Science. The course assignments, due dates and grades are listed.

If you need assistance with your Parent Portal login, please contact the main office for assistance. Thank you for your continued support.

Sincerely,

Andrea Evans
