Dear Parent/Guardian,

During the month of May, students in grades 1-6 are planning to take the Linkit! NJSLs Form C Benchmark for Math and Literacy (grade 1 only takes Math). The benchmarks monitor students' progress on the current year's standards and assist the staff with planning for differentiation. **These benchmarks will not be graded or reflected in grades.**

Your child's performance on these benchmarks will be published on the Linkit parent portal (<https://eastgreenwich.linkit.com/Parent>) by his or her teacher following test completion of the *entire class*. Therefore, teachers will publish their benchmarks at different times to ensure all students are complete within their homeroom.

The district is proud of students for completing the benchmarks this school year. It continues to provide us with critical information so we can plan. Please know that your child's teacher and the Office of Curriculum and Instruction are available to support you if you have any questions regarding the assessment. You can also visit the curriculum department's [website](#) for more information regarding this district assessment.

Sincerely,

Mrs. Lisa Giorgianni
