April 5, 2024

Dear Parents/Guardians,

I hope you are all doing well! I just wanted to send a reminder about the upcoming OLSAT test for second grade students.

On April 18, 2024 around 10:15 am, students in grade 2 will be taking the Otis Lennon School Ability Test, (OLSAT).

If any student is absent, there will be a make-up test day. More information to follow.

Please remember that completion of this test is necessary for your student to be considered for the SOAR Gifted and Talented Program at the Samuel Mickle School.

Thank you for your support of this initiative and if you have any questions, please do not hesitate to reach out!

Sincerely,

Mr. Jeffrey Miller-McGrail
Supervisor of Instruction: Math, Science, Social Studies, and SOAR
