Dear East Greenwich Township Community Member,

As Superintendent of Schools, it is my pleasure on behalf of the East Greenwich Township School District Board of Education to invite you to participate in our strategic planning initiative. Working together with members of our school community, we will create a shared vision for the district for the next five years. We will identify both the strengths of the school district and the critical issues that we will face in the future.

Assisted by New Jersey School Boards Association, we will work in both small and large groups to ensure all stakeholders have an opportunity for input. The **first step** is establishing a **Strategic Plan Working Group** comprised of 40-60 district stakeholder volunteers. This group will work with our New Jersey School Boards Association facilitators to build a consensus document that will identify our community's vision and the strength and challenges of our district. We will also work to develop goals focused on the future of our schools.

On behalf of the Board of Education, I am requesting volunteers to become members of the district's Strategic Plan Working Group. Meetings will be held virtually, and we are asking that participants make the commitment to attend all sessions. Meetings are scheduled for the following dates:

Date and Time:

Thursday, March 3<sup>rd</sup> at 6:30pm (approximately 3 hours)

Thursday, April 21<sup>st</sup> at 6:30pm (approximately 1.5 hours)

April 22<sup>nd</sup> through May 6<sup>th</sup> (small group work in 1 or 2 meetings, approximately 3 hours)

Thursday, May 12<sup>th</sup> at 6:30pm (approximately 1 hour)

I hope you will consider participating in this exciting opportunity to shape the future of the East Greenwich Township School District. If you would like to volunteer to join the Strategic Planning Committee, please register by **February 25<sup>th</sup>** using the link below. The district will contact all volunteers selected for the committee by February 28<sup>th</sup>. Additional opportunities for stakeholder input will be made available in the coming months.
