

Welcome To Third Grade!

Greetings from your teachers! We are looking forward to many special and exciting experiences with your child.

In Math, we expect students to enter third grade with their addition **and** subtraction facts memorized. We will be starting the year with timed tests for those facts and move quickly into multiplication and division. Please review the facts this summer, so that your child is fluent with his or her addition and subtraction facts.

Supplies requested for this year:

- A box of 12 #2 pencils (no mechanical pencils)
- Box of crayons (no larger than 24)
- 4 glue sticks
- 2 dry erase markers and eraser
- 1 highlighter
- A pair of scissors
- 3 – 4 eraser caps for pencil tops
- pencil case/pouch
- 2 composition notebooks (black and white marbled cover)
- 9 solid colored pocket folders in the following colors: (2) green (one is for Library), (1) blue, (2) yellow (one is for Health class), (1) orange, (1) purple, (1) black (Music), and (1) red
- 1 folder of choice: Spanish class
- A 1.5 inch **hard-cover** binder
- 12 clear plastic sheet protectors to go in the binder (3 for Spanish Class)
- 1 pair of headphones/earbuds to be used on a Chromebook

Please send in only what your child needs. All extra supplies can be kept at home and sent in on an “as needed” basis. We also ask that students avoid bringing pencils, erasers and school supplies that resemble toys. These things create a distraction for students and interrupt the learning environment. **Many** items may need to be replaced throughout the year!

Best wishes for a fun and safe summer!

Let’s work together to make 2018-2019 a great year!!
