

December 9, 2019

Dear Parent/Guardians:

Our students are so excited to present the Clark Winter Concert on Friday, December 13. Each grade level performance will be approximately 45 minutes.

The schedule for the concerts is below:

Grade 1-9:15

Beginners-10:30

Grade 2-1:45

Attached are the tickets to the concert. Each student has received tickets for two (2) guests to attend the performance. The doors will be monitored by staff members and guests without a ticket will not be permitted to enter. Doors will open 15 minutes prior to each performance.

Just a few reminders for audience members:

- Each person in attendance, even younger siblings, will need a ticket as we do have a limit for maximum capacity in the gymnasium.
- Food and Drinks are not permitted in the gymnasium.
- We kindly ask that all audience members remain seated during the performance. If there is a need to stand, please do so in the back of the gymnasium, behind the last row.

Students can wear any outfit that they want to wear with the following restrictions:

- NO hats or tall headbands (so that everyone can be seen)
- NO makeup
- NO high heels
- NO perfume or cologne

Please park in the overflow lot and enter the multi-purpose room through the glass atrium entrance at the back of the gym. For security reasons, guests must remain in the multipurpose room and are not permitted to enter the hallways. Student safety is our highest priority and your cooperation will be appreciated.

We look forward to seeing you there!

Sincerely,

Eileen Wisnewski

Music Teacher
