Dear Parents and Guardians,

We would like to thank our students and families for your support, flexibility and innovation in this new learning environment. Please find updates and information below regarding remote learning.

- ❖ Governor Murphy has ordered all schools to remain closed “until such time as deemed by health officials to be safe for classes to resume”. Governor Murphy also stated the school closure was likely to be a “long and extended period of time”, so remote learning will continue to be in effect. For more information about our remote learning plan, please click on this link: [EGTS Remote Learning Plan](#)
- ❖ All district buildings are now closed to staff and families. The only exceptions are for food preparation and required maintenance. Both schools’ playgrounds are also closed.
- ❖ Administration and staff are ready and available to assist you through email. Please do not hesitate to reach out to your child’s teacher(s) or school administrator, if your child is experiencing difficulties in transitioning to remote learning.
- ❖ Our school counselors are also available to assist you and your child(ren). Please click on this link for more information: [School Counselor Letter~ COVID-19](#)
- ❖ Beginner registration is postponed. A new schedule will be developed and shared with families. This will also include a new Beginner Parent Orientation date.
- ❖ All NJDOE spring state testing, such as NJSLA, are cancelled.
- ❖ Effective Thursday, March 26th, lunches will be delivered to students who participate in our free and reduced lunch program. Please contact zanet@eastgreenwich.k12.nj.us to confirm your participation, so we can deliver your child’s lunches. A separate email was sent to you with more information.
- ❖ If your child does not participate in free and reduced lunch, and you need assistance, please contact your child’s school counselor. Local food pantry information can also be found at this link: [South Jersey Food Pantry Information](#)
