Dear Parents and Guardians,

We hope you enjoyed a restful spring break with your families! Today we begin our fourth week of remote learning, and we are grateful for your partnership in these unprecedented times.

In preschool, our teachers will continue to utilize a daily 9:15 message. Our preschool students also have new packets of materials available for pick up this week.

In Beginners through grade 2, our teachers will continue to utilize a daily 9:15 message with information about the day's lessons. Next week, we will begin providing instruction in new literacy (Foundations) and math skills.

Teachers will provide short instructional videos to assist students with their learning. Additionally, we have prepared paper materials for students to practice their Foundations and math skills. These materials will be used in conjunction with the teacher's videos and online assignments.
