April 17, 2020

Dear Parents and Guardians,

Yesterday, Governor Murphy announced that schools will remain closed through at least Friday, May 15th, so we will continue to move forward with our remote learning plan.

## **Trips, Activities and Events**

East Greenwich Township Schools activities and events are cancelled through May 31st, and all field trips are cancelled through the end of the school year. Full refunds will be provided for all trips. We ask for your patience as we await refunds from venues to process parent refund checks. We anticipate this process may take several weeks.

We realize how disappointing this may be for our students and staff, and we will continue to evaluate our June events based on guidance from the Centers for Disease Control (CDC) and New Jersey Department of Education (NJDOE).

## **Remote Learning Plan- Phase II**

The second phase of remote learning is now in effect. We will resume teaching and practicing new skills in all grade levels. This will also include short instructional videos to assist students with their learning. Teachers will also publish, at the start of each week, the times they are available to assist students in live meetings. Staff members will continue to be available between 9:15am and 3:00pm daily.

Thank you to our Jeffrey Clark families for picking up packets this week. If you still need to pick up your student's packet, a final pickup is scheduled for Tuesday, April 21st from 10:00am-1:00pm in front of the Jeffrey Clark School.

If you need access to a Chromebook, please contact:

## **Virtual Etiquette**

In order to stay connected as classroom communities, our teachers host daily live sessions with their students. The sessions are not mandatory, but students are **strongly encouraged** to participate. The meetings are not recorded, and we respectfully request that parents and/or students **do not record** live meetings or sessions.
