May 5, 2020

Dear Parents and Guardians,

Yesterday, Governor Murphy announced that schools will remain on remote instruction through the end of the 2019-2020 school year. While we anticipated this decision, it is challenging not to experience a range of emotions. We are disappointed that our traditional celebrations will not take place; yet we understand the need to keep our students, staff and community safe. We remain committed to providing our students with the best virtual learning experience possible, and this includes plans for safe and innovative recognition of our students' hard work and accomplishments. Planning is in progress for virtual end of year events, and more information about those events will be communicated to you in the coming weeks.

During his press conference, Governor Murphy made it clear that he will continue to work with educators to develop protocols and procedures for a return to school buildings. While we await this guidance, plans are in development for end-of-year student routines such as cleaning out desks, gathering personal belongings and returning library books. Summer on-site programs, such as Extended School Year (ESY), What I Need (WIN) and Beyond the Bell Camp will also be shaped by the governor's guidance to school districts, and we anticipate more information will be provided in the coming days. We appreciate your patience as we adjust our typical procedures and programs to reflect these new factors, and we will communicate next steps to you as soon as they are available.

In the meantime, we will continue to move forward with our remote learning plan.

Beginner Registration

Beginner registration for the 2020-2021 school year is now in progress. Please contact our Registrar, Ann Marie Elliott, for more information. Mrs. Elliott may be reached at elliotta@eastgreenwich.k12.nj.us.

Sixth Grade Transition

Kingsway Regional Middle School's 7th Grade Orientation Program will be available virtually on May 20th at www.krsm.org.

Plans are underway to celebrate our sixth grade transition to middle school. We are proud of our students' accomplishments, and we will do our best to honor their time in the East Greenwich Township School District. More information will be forthcoming regarding the traditional end-of-year events, such as the Farewell Ceremony and yearbook distribution.
