June 12, 2020

Dear Parents and Guardians,

As our school year winds down, please be assured we are actively planning for 3 fall scenarios: remote learning, in-person learning or hybrid learning. We continue to await Governor Murphy and the New Jersey Department of Education's guidance for school districts, and we anticipate the information will be shared in the coming weeks.

In the meantime, we would like to gather your reflections on remote learning, as well as your feedback for fall. Please complete this survey for **each** of your students: [Remote Learning & Fall Planning Parent Survey](#) by Friday, June 19th.

Below please find several updates on end of year and summer information:

Sixth Grade Wave Parade

The Sixth Grade Wave Parade will be held today. Our sixth graders will receive their Kingsway drawstring bag, Kingsway lanyard, Kingsway t-shirt and 6th grade yearbook. Thank you to our Home and School Committee for these generous mementos. Thank you to Mrs. Mahoney and the 6th grade staff for providing students with a fun and safe experience.

Fall Planning

We have established a district "Return to School Committee" with 4 subcommittees: Operations, Facilities, Instruction & Technology, Safety & Wellness. The committee will meet throughout the summer and into the fall, and our planning will be guided by the New Jersey Department of Education and the New Jersey Department of Health.

Beginner Registration

Beginner registration for the 2020-2021 school year is now in progress. Please contact our Registrar, Ann Marie Elliott, for more information. Mrs. Elliott may be reached at elliotta@eastgreenwich.k12.nj.us.

Technology

Borrowed Chromebooks will be checked in upon return to school, and they may be used throughout the summer to complete the summer assignments and utilize learning sites.

Thank you for your continued support. Remote learning exemplifies the true partnership between home and school.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Andrea Evans
