June 16, 2020

Dear Parents and Guardians,

Today marks our final school day in the memorable 2019-2020 school year. The last day of school is a day to celebrate accomplishments and reflect on growth, and this year has certainly stretched our beliefs about teaching and learning!

Throughout remote learning, one of our district goals has been to communicate clearly and consistently with our school community. To further enhance our ability to communicate and increase access to information, we are launching a new social media presence on Facebook. The [East Greenwich Township School District Facebook Page](#) will serve a dual purpose:

1. Highlight the great things happening in our school district
2. Share information about upcoming events

We are proud of our school district, and our Facebook page will reflect a positive social media presence. We recognize that at times, families may have a question or concern, and we encourage families to continue to contact us by email or phone, so we can respond and assist. The [East Greenwich Township School District Facebook Page](#) will be an extension of our website, and we will continue to utilize our email and messaging system for school and district communication. Facebook will simply be another platform our families can choose to access information.

Below please find several updates on end of year and summer information:

## **Summer Work Packets**

Summer assignments can be found on the district website in the "Parents and Students" tab and at this link: [Summer Work Packets](#).

## **Fall Planning**

Thank you for your partnership during remote learning. While we await guidance on September, please be assured we are listening to our community and staff as part of our planning process. If you have not completed our survey, [Remote Learning & Fall Planning Parent Survey](#), we would appreciate your feedback by Friday, June 19<sup>th</sup>.

We have established a district "Return to School Committee" with 4 subcommittees: Operations, Facilities, Instruction & Technology, Safety & Wellness. The committee will meet throughout the summer and into the fall, and our planning will be guided by our district survey results, the New Jersey Department of Education and the New Jersey Department of Health.

## **Beginner Registration**

Beginner registration for the 2020-2021 school year is now in progress. Please contact our Registrar, Ann Marie Elliott, for more information. Mrs. Elliott may be reached at [elliotta@eastgreenwich.k12.nj.us](mailto:elliotta@eastgreenwich.k12.nj.us).
