Dear Parents/Guardians,

While summer offers a much-needed opportunity to relax, we want to ensure our students also maintain skills acquired over the course of the school year. Together with our staff, we have developed a comprehensive approach to assist students in reviewing and maintaining essential skills over the next few months. While the summer assignments are voluntary, we strongly encourage your student's participation.

Collaboratively, we have developed choice boards for literacy, math, STEAM, and self-care. On each board, students will complete four in a row or diagonally. They may draw or take pictures of what is done and create their own digital or print scrapbook. On the first day of school, students will submit their completed choice boards to the main office and show their scrapbooks to their teacher. Everyone that completes these assignments will receive a certificate and fun prizes!

Today, all students will go home with hard copies of the summer choice boards. The summer choice boards are organized into grade-level bands. Below are the electronic versions:

- [Going Into Grades 1st & 2nd](#)
- [Going Into Grades 3rd & 4th](#)
- [Going Into Grades 5th & 6th](#)

The summer choice boards are also posted on our district website under the "For Parents" tab. If you need assistance accessing the assignments, please contact your child's school's main office:

Samuel Mickle - Janene Emick, emickj@eastgreenwich.k12.nj.us

If you have any further questions, please do not hesitate to contact us.

Thank you.
