

Support For Families From The New Jersey Department of Education

As parents or guardians, you want nothing more than an excellent education for your children. At the NJ Department of Education, we want nothing more than to help you achieve this!

We have created a family-focused web site at www.NJFamilies.com with resources to help you support your child's education, and navigate your school system. We have also opened a "Help Desk" which can be reached through the parent menu option of our toll-free number: 877-900-6960.

Let's work together for the good of our children. Please sign up for our mailing list on our web site at <http://www.state.nj.us/education/> or [join our mailing list here.](#) We look forward to helping you help your children.
